

Kilmingtton Parish Council

There are two Parish meetings this month and there can be, and often is, confusion between the two.

The Annual Parish Meeting on 13th May at 6:30 pm in the Village Hall is chaired by The Chairman of the Parish Council, but it is not a Parish Council Meeting. It is an opportunity for the electors of the Parish to meet their Parish Council, other village organisations and clubs. These groups will present what they have been doing last year, and you can ask questions and raise any issues you wish to bring to their attention, or to other residents. A guest speaker has also been invited in the past, to speak about something of interest to our village. This year, Andrew Collier will speak about the Axe Valley Wildlife Park, which many of you will have visited. He'll tell us some background about the park and some of the behind-the-scenes stories.

Residents and families are encouraged to come along. Children are welcome and we'll provide a Children's Area with colouring to help keep them occupied. Refreshments will be served. We hope you'll join us.

The Annual Parish Council Meeting will be held on 20th May at 7:00pm in the Pavilion. This is one of the monthly Parish Council meetings, but also includes the election of the Chairman and approval of annual financial matters. Members of the public are welcome to attend, as they are at other monthly meetings.
